Dear Ms. Prisk:

Enclosed please find the response of Crown Cork and Seal Co., Inc. ("Crown Cork") to the information request served by the U.S. Environmental Protection Agency ("EPA") in relation to the Lower Darby Creek Area Superfund Site.

  - a. The dates and states of incorporation of your company;
  - b. The date and original state of incorporation of your company; and
  - c. The parent corporation of your company, if any, and all subsidiaries or other affiliated entities.

**RESPONSE: Crown Cork & Seal Company, Inc.  
One Crown Way  
Philadelphia, PA 19154  
(215) 698-5100**

- a) **Incorporated in Pennsylvania, 1989.**
  - b) **Crown Cork & Seal Company, Inc. was a New York corporation, incorporated in 1927.**
  - c) **Crown Cork & Seal objects to this request as overly broad and not related to any area of legitimate inquiry pursuant to § 104(e) of CERCLA. Information regarding Crown Cork & Seal's present subsidiaries is irrelevant to the waste disposal practices of Crown Cork & Seal's Philadelphia area facilities during the 1958-1976 time period. Additionally, this information is equally available to the EPA through annual reports filed by Crown Cork & Seal. Crown Cork & Seal Company, Inc. has no parent corporation.**
2. What is the current nature of the business or activity conducted at your establishment(s) in the Philadelphia, Pennsylvania area? What was the nature of your business or activity between 1958 and 1976? Please describe in detail. If the nature of your business or activity changed from the period of 1958 to 1976 to the present, please provide a detailed explanation of the changes to date.

**RESPONSE: Crown Cork & Seal maintains its headquarters in Philadelphia, but conducts no manufacturing operations there. During the period in question, Crown Cork & Seal's Philadelphia area facilities manufactured multi-piece cans suitable for use for food, beverage or aerosol products.**

3. Identify all persons currently or formerly employed by your establishment(s) who have or may have personal knowledge of your operations and waste disposal practices between 1958 and 1976 at your facilities in the Philadelphia, Pennsylvania area. If the current telephone number or address is not available, provide the last known telephone number or last known address of such person.
